Why do we collect and use your information?

The personal data we collect about you is essential, in order for the school to fulfil its official functions and meet legal requirements.

We collect and use your information for the following reasons:

- To meet the statutory duties placed upon the school and Trust

Under the UK General Data Protection Regulation (UK GDPR), the legal basis/bases we rely on for processing personal information for general purposes are:

- For the purpose of meeting the statutory duties placed upon the school in accordance with the lawful basis of legal obligation.
- Academy trusts, under the ‘Academy trust handbook’ (<https://www.gov.uk/guidance/academytrust-handbook>), have a legal duty to provide the governance information as detailed above.

How do we collect your information?

We collect your personal information via the following methods:

- Trustee and governor application form
- DBS form
- Declaration of interests form
- GovernorHub

Trustee and governance role data is essential for the school’s operational use. Whilst the majority of information you provide to us is mandatory, some of it is requested on a voluntary basis. To comply with the UK GDPR, we will inform you at the point of collection whether you are required to provide certain information to us or if you have a choice.

How do we store your information?

Your personal information is retained in line with the Trust or school’s Data Protection Policy, a copy of which can be found on the Trust website in the secure member area.

Who do we share your information with?

We routinely share your information with:

- The DfE and/or ESFA for reporting and statutory publication purposes.
- The Trust's external auditors.

Why do we share your information?

We do not share information about you with anyone without your consent, unless the law and our policies allow us to do so.

The DfE and/or the ESFA

The DfE collects personal data from Trusts, schools and LAs. We are required to share information about individuals in governance roles with the DfE and/or the ESFA under:

- Requirements set out in the 'Academy trust handbook'.

Any information we share with other parties is transferred securely and held by the other organisation in line with their data security policies. All governance data required by the DfE is entered manually on the GIAS system and held by the DfE under a combination of software and hardware controls which meet the current government security policy framework, which is available by following this link: <https://www.gov.uk/government/publications/security-policy-framework>

How does the government use your data?

The governance data that we lawfully share with the DfE via GIAS will:

- Increase the transparency of governance arrangements.
- Enable Trusts or schools and the DfE to quickly and accurately identify individuals who are involved in governance and who govern in more than one context.
- Allow the DfE to be able to uniquely identify an individual and, in a small number of cases, conduct checks to confirm their suitability for this important and influential role.

You can find out more about the requirements placed on the school by the DfE, including the data we share with them, via this website: <https://www.gov.uk/government/news/national-database-of-governors>.

Some of this personal data is not publicly available and is encrypted within the GIAS system. Access is restricted to authorised DfE and education establishment users with a DfE Sign-in account who need to see it to fulfil their official duties. The information is for internal purposes only and is not shared beyond the DfE, unless the law allows it to be.

Under the Data Protection Act 2018, you are entitled to ask the DfE what personal information it holds about you. You have the right to ask the DfE:

- If it processes your personal data.
- For a description of the data it holds about you.
- The reasons it is holding your data and any recipient it may be disclosed to.
- For a copy of your personal data and any details of its source.

To exercise these rights, you should make a subject access request. Information on how to do this can be found by following this link: <https://www.gov.uk/government/organisations/department->

Some of your details may be passed to auditors to enable them to carry out their work in overseeing governance reviews of the Trust or school. This data will be similar to that which is published by the DfE on GIAS.
