OF GLOUCESTER
ACADEMIES TRUST
unlocking potential

Application Pack for:

Headteacher of
St David's Church of England
Primary School

MESSAGE FROM THE CHIEF EXECUTIVE OFFICER

Dear Candidate

Thank you for your interest in the Headteacher role at St David's Church of England Primary School.

This school is part of the Diocese of Gloucester Academies Trust (DGAT), a Trust that was set up thirteen years ago to be the natural home for any church school wanting, or needing, to join a multi-academy trust (MAT). DGAT is recognised as a popular, successful and growing Trust and there are currently 24 schools in the family. Twenty-two of these schools are Church schools and two are community schools.

The Trust is growing steadily with three or four joiners each year.

Being a Headteacher within the DGAT family gives you the unique opportunity to lead a school, rooted in its own unique context, whilst having the support and challenge of a highly skilled and supportive central team. You will also be joining a group of headteachers who are instinctively collaborative, innovative and solution focussed.

We are looking for someone who can inspire others, understands what excellent teaching and learning looks like, who inspires trust and confidence and will support children and adults to develop and flourish. We are also looking for someone to share good practice across the Trust family of schools. You must be committed to what it means to be part of a Church of England Trust and to being an excellent Church school leader.

The Trust offers an extensive range of opportunities for professional development and learning, and we will be supportive of your leadership journey and career development. The pastoral care of our Headteachers is also an important part of who we are as an organisation, knowing that Headteachers care very deeply for all they serve but often do not prioritise their own wellbeing. You will be valued for who you are and what you bring to the Trust.

I hope this pack helps you to decide if working for the Trust in St David's Church of England Primary School is for you.

I look forward to hearing from you.

CEO

MESSAGE FROM THE CHAIR OF GOVERNORS

Dear Aspiring Headteacher,

On behalf of the local governing board, I would like to thank you for your interest in the role of headteacher at St David's CofE Primary School.

We are a thriving and welcoming school in Moreton-in-Marsh. Our Christian vision runs through all that we do, and we believe in providing our children with many and varied opportunities to use and develop the gifts and talents they have been blessed with, to ensure they embrace "Life in its fullness" (John 10:10).

We are seeking a leader to build on the successes of our outgoing headteacher and who has the skills, drive and dedication to enable everyone within our school community to continue to flourish. We are looking for a committed, collaborative, proactive and inspiring headteacher who is aspirational for all and can continue to deliver the school's strategic priorities.

The school benefits from an experienced and dedicated staff team, a committed local governing board, an active parents' association and curious, motivated and happy pupils.

I encourage you to arrange a visit to our wonderful school, where you will be able to experience first-hand all the school has to offer.

We look forward to hearing from you.

Yvonne Webster
Chair of Governors

THE VISION OF THE DIOCESE OF GLOUCESTER ACADEMIES TRUST

OUR VISION IS TO ENABLE ALL TO FLOURISH

OUR AIMS ARE TO BE:

- * Authentically Christian
- * Boldly passionate about excellence in learning
- * Relentlessly driven in our aspiration for everyone

OUR CORE PRINCIPLES

These underpin all we do and all the decisions we take.

- * We aspire to be the best we can be in an ever-changing environment - providing opportunities for all to flourish.
- * Within our DGAT family we cherish everyone as individuals; appreciating and celebrating diversity.
- * We act with integrity; we are open to challenge and we are reflective about our practice.
- * We treat everyone with dignity and respect.
- * Through collaboration, in a nurturing community, we grow, learn and achieve.

Our vision is rooted in our Christian foundation and our belief that all within our family should experience life in all its fullness.

SERVING THE COMMON GOOD AND THE DIOCESAN LIFE TOGETHER VISION

As a Trust set up by the Diocese of Gloucester Board of Education, all we do is steeped in both the National Church of England Vision for Education: Deeply Christian – Serving the Common Good and the diocesan LIFE vision.

Deeply Christian - Serving the Common Good is permeated by four core elements WISDOM, HOPE, COMMUNITY, DIGNITY. Our work is rooted in these elements and in all our schools these will be in evidence in our decision making, our relationships, our communications and our learning.

Together the Trust Board, central staff and our school communities are united in enabling children and staff to grow, flourish and succeed in an environment of educational excellence.

BENEFITS OF LEADING A DGAT SCHOOL

- * No school is an island
- * Good practice is shared
- * Opportunities to lead Trust-wide initiatives
- * Professional support and challenge from our highly experienced school effectiveness team
- * Regular facilitated discussion and dialogue with other school leaders
- * Trust-wide professional development opportunities, driven by the needs of schools
- * Comprehensive support for all business, finance and estate management functions

Trust schools work together to build capacity, support the professional development of staff and ensure that each school remains a vibrant and dynamic place where everyone can flourish. We want our schools to remain places of learning, not just for pupils, but for staff and governors too.

In adopting a collaborative approach, we have developed flexible models of working which fully utilise the expertise which exists within our schools. All DGAT schools play an active role in sharing best practice and learning from one another.

In addition the Trust provides an extensive range of professional development and learning for all staff based on the collective needs of the schools in the family. Recognising the need to support staff wellbeing, some of these are held virtually to reduce travel time and to do a bit to save the planet.

One of our key aims as a Trust is to ensure that each school remains free to focus on what schools do best – the education of the children we serve. In order to do this we undertake a wide range of financial and business activities within the central function. This includes central purchasing, management of premises compliance activities, management of aspects of the school building, support with budgeting, GDPR compliance and much more.

A high level of support is also provided for local governance including training for governors and clerks, the provision of policies, support with complaints and the provision of support to manage the annual schedule of works of local governing boards.
